TWELVE PAGES—FIVE CENTS

Says 2 AEC Scientists On 'Bad Risk' List

Senator Says Plant Guards No Good

Washington, June 1—(AP)—The great atomic investigation opened today with testimony that two scientists were kept on atomic energy commission payroll despite a security officer's finding that they were "bad risks."

In addition, Senator Knowland (R-Calif.) said he had heard reports that guards in the Argonne atomic plant at Chicago were instructed not to report violations of security rules by high officials.

David E. Lilienthal, whose work as atomic energy commission chairman is under inquiry, told Knowland he would find out whether the reports are true.

Go Without Being Searched
Knowland said he had also heard reports that "green stickers" were given to officials at the Chicago plant, permitting them to enter and leave without having their automobiles searched by guards.

Senator Hickenlooper (R-Iowa) whose charges of "incredible mismanagement" by Lilienthal touched off the investigation, produced figures which showed, he said, that there had been an 87 per cent turnover in atomic energy personnel in 1947 and 1948.

This showed bad management, he contended. Lilienthal replied that it was the familiar story of the government's difficulty in finding and keeping good men.

Hickenlooper demanded that for the purposes of the investigation, the AEC produce 12 groups of documents covering many phases of atomic development.

Ask For Documents
Late today the joint congressional atomic energy committee voted to make a formal request to the AEC to turn over six of the 12 groups. The AEC quickly announced that the six categories of documents requested will be submitted as soon as possible.

The list includes all correspondence with the FBI in regard to "lost or misplaced" atomic material, whether recovered or still missing.

Also covered are reports on the investigation of all atomic fellowships awarded at least one admitted communist was awarded a \$1,600-a-year fellowship—and security files on a secret list of persons engaged in the atomic program.

The commission decided that for the time being it will not press Hickenlooper's demand for voluminous other records, 8,758,000 data concerning the work of atomic weapons, copies of all AEC minutes, and documents dealing with international atomic relations.

Wilson Testifies
It was AEC General Manager Carroll L. Wilson who testified that he kept two scientists on the payroll despite objections that they were bad risks.

Wilson did not name the two scientists.

He said his action was entirely separate, however, from the five-man commission's decision to clear two other scientists for secret work after the AEC's own security officer had turned thumbs down on them.

The other two were Dr. Edward U. Condon, chief of the U.S. Bureau of Standards, and Senator Frank Graham (D-N.C.), former president of the University of North Carolina and one time head of the Oak Ridge Institute of Nuclear Studies.

Lilienthal told congressional investigators last week about the Condon-Graham cases.

Union, Company Fail To Settle Greyhound Strike

Chicago, June 1—(AP)—Union and company officials met again today but failed to reach a settlement of the six-week old Northland Greyhound bus strike.

Federal Mediator James J. Spillane said:
"We are following every avenue that suggests itself to us in an effort to reach a settlement. No settlement has been reached yet but there are still plenty of avenues open yet."

Spillane said another mediation session will be held tomorrow.

The striking employees are represented by the AFL Street, Electric Railway and Motor Coach Employees union. They seek a wage boost.

Northland Greyhound operates in Minnesota, Iowa, Illinois, Wisconsin, Montana, Michigan, North Dakota, South Dakota and Manitoba, Canada.

FATALITY INJURED
Joliet, Ill., June 1—(AP)—Eugene Ulrich, 45, employee of a moving firm, was injured fatally yesterday when he fell from the back of a truck loaded with furniture.

Chambers Takes Stand In Hiss Perjury Trial

New York, June 1—(AP)—Whittaker Chambers came into federal court today for another dramatic, face-to-face showdown with Alger Hiss, the man he branded as a state department tool of a prewar Soviet spy ring.

The scene was reminiscent of that when Chambers first made charges against Hiss before the House un-American activities committee last year.

Chambers, self-styled former courier for the Russian ring, stepped to the stand as the star government witness in Hiss' perjury trial.

Chambers was neatly dressed. His face was pale but composed. A few feet away sat Hiss, his wife by his side.

Hiss had denied ever knowing Chambers, except possibly casually and under another name.

The former state department official also has denied ever passing top-drawer state department secrets to Chambers, as Chambers and the government have claimed.

These denials led a federal grand jury to indict Hiss.

Before Chambers was called to the stand, the crowded court room was set abuzz over an old typewriter which Hiss is alleged to have used to copy secrets for the Russians.

Some of the secrets, the government said, still are so hot after 11 years that they cannot be disclosed to the jury of 10 men and two women.

The government said Hiss copied them on the typewriter and turned them over "in wholesale fashion" to Chambers.

FBI Agents Scoured
FBI agents scoured Washington in vain trying to find the typewriter. Then Hiss' attorney announced.

Naoma Norris Is Given Divorce On Desertion Grounds
Waukegan, Ill., June 1—(AP)—Naoma Donnelly Norris, printing company heiress, was divorced today from Bruce Norris when she testified he left her three months after their lavish wedding in 1947.

"I gave him no cause," she told Circuit Judge Ralph J. Dady, who granted her a divorce on desertion grounds after a brief hearing.

Judge Dady awarded her \$6,000 annual alimony for a 12-year period, and also all household effects. He approved a property settlement which set up a trust fund from which her alimony would be paid if her husband should die before the 12-year period ends.

Norris is an executive of the Norris Grain company, Chicago. Mrs. Norris has been residing with her mother, Mrs. Mary Donnelly, 111 East Ridge Lane, Lake Forest. The couple were married June 28, 1947, and have no children.

U. Of I. Issues 1st Degrees In Labor, Industry Relations
Champaign, Ill., June 1—(AP)—The first degrees in the field of labor and industrial relations by the University of Illinois will be awarded at the June 12 commencement.

Master of arts degrees will be given Irving I. Raines and John H. Smith, both of Urbana, and James W. Shanks, Terre Haute, Ind.

They are among the first four students to complete the graduate study program in the university's Institute of Labor and Industrial Relations. The fourth, 20-year-old Miss Eva Cohn of Athens, Ga., still has to meet a requirement of three months' work in a production job.

U. S., Britain Ask Russia To Help Purge Balkan States
Washington, June 1—(AP)—The United States and Britain asked Russia today to join them in action aimed at halting alleged peace treaty violations by the communist governments of Hungary, Rumania and Bulgaria.

At the same time the state department announced this, it made public notes from all three Balkan governments denying they violated the human and civil rights sections of their treaties. They accused the United States of interfering in their international affairs and fostering in their countries "fascist" or anti-government elements.

All three governments are closely allied with Russia and state department officials generally expect that Russia will side with them and against the western powers. If it turns out that way, the whole dispute may eventually reach the United Nations.

The American-British action was the latest in a long series against the three Soviet satellite regimes, which Washington and London have accused of denying religious and political freedoms, fair trials and the like to their people.

Guarantees of human rights are contained in the peace treaties which the former German-allied countries signed after World War II. The treaties make the American, British and Russian ministers in each of the capitals of the treaty countries responsible for enforcing the pacts.

Although the western powers have made many accusations against the Balkan countries, today's move was the first to invoke the enforcement machinery of the treaties.

Undersecretary of State Webb told a news conference that notes from the three Balkan governments fail to answer "satisfactorily" the charges made against them and "show no willingness to remedy the situation."

The American-British action was the latest in a long series against the three Soviet satellite regimes, which Washington and London have accused of denying religious and political freedoms, fair trials and the like to their people.

Guarantees of human rights are contained in the peace treaties which the former German-allied countries signed after World War II. The treaties make the American, British and Russian ministers in each of the capitals of the treaty countries responsible for enforcing the pacts.

Although the western powers have made many accusations against the Balkan countries, today's move was the first to invoke the enforcement machinery of the treaties.

Appointment Of New Priests To Be Controlled By Czechs

Prague, Czechoslovakia, June 1—(AP)—The Czechoslovak government announced today it intends to control the appointment of new priests and Catholic church personnel.

The order ran head-on into a new letter to the clergy from Archbishop Josef Beran, head of Czechoslovak's 2,000,000 Catholics, again threatening automatic excommunication for "collaborators" with the communist-dominated government.

The minister of education decreed that no appointment of a priest, or other church administrative and personnel changes, would be valid unless printed in the government's "official gazette for Catholic clergymen."

The archbishop has instructed his priests to ignore the Gazette. The church's own publication has been banned by the government, so the archbishop resorted to a private letter to the clergy.

In it, he issued his strongest warning yet in Czechoslovakia's growing religious fight.

He charged the government had slammed the door on further peace talks with the church on the question of education.

Three newspapers were specifically forbidden in or near Catholic churches. These were Lidova Demokracie, the people's party newspaper; Lidova Obroda in Slovakia, and the Christian women of Brno. The people's party formerly was a Catholic party, but is now led by a minister in the government. Further, priests were directed not to accept or recommend any publication or Holy picture not approved by the church.

The archbishop declared acceptance of membership in a government-fostered Catholic Action

which he said the People's party was trying to organize, would be followed by "church punishment." He called his organization "non-Catholic action."

He forbade the sending of letters and articles to the government's church Gazette and other newspapers which support restrictions on the church.

"Automatic excommunication for a priest means that continued priestly activities are sinful and sacrilegious, his jurisdiction is lost and his acts are not valid before God and for the ecclesiastical forum," the archbishop warned.

Stevenson Request To Control U. Of I. Building Ignored
Springfield, Ill., June 1—(AP)—The Republican dominated senate appropriations committee today ignored Governor Stevenson's request for control over spending of \$21,000,000 for University of Illinois buildings.

The Democratic governor, in his budget message, asked for authority to approve all proposed construction items "as a precaution against adverse revenue developments."

Because the university's building program does not contain this provision, Democrats sought to delay action on it today. But the committee voted 10 to 4 in approving the bill for passage.

Senator John Parish (D-Centralia) said there isn't any doubt that the University will get the money but that the governor should have control over it "because of the precarious state budget."

Of the \$21,000,000 appropriation, about \$5,000,000 is for buildings on the Champaign-Urbana campus, and the remainder for facilities at the medical school in Chicago.

Deny Secret U.S. Files To Senate Subversive Probe
Washington, June 1—(AP)—A Senate committee, studying ways to tighten immigration laws against subversives, was denied access today to secret government files at the direction of President Truman.

Attorney General Tom Clark informed a Senate judiciary subcommittee that to unlock the files on some 164 officials of foreign governments was "not in the public interest" and might have embarrassing international results.

Clark and assistant secretary of state John E. Purifoy were subpoenaed before the committee to produce files on the 164 persons. Workers' was reported charged with conspiracy to obstruct justice. He was accused of offering the woman, Dolores Kubal, \$1,000 in cash, an airplane trip to California and a job if she would not prosecute.

Three youths were reported named in true bills charging assault, or rape. They are Raymond Mischke, 21, a member of Harrison's union local; Richard Jackolow, 19, and Gerald Kipanski, 21. Mischke's sister, Doris, 25, was reported named in a bill charging conspiracy to obstruct justice.

Last Friday when Miss Kubal failed to appear before a justice of the peace for her complaint, the hearing was postponed and she was subpoenaed. When questioned later at the state's attorney's office, she told of offers Harrison made her in the Mischke home in the presence of Miss Mischke, police said.

SUGGESTS CANAL BE MADE INTO PARKS
Springfield, Ill., June 1—(AP)—A legislative commission suggested today that the abandoned, 96-mile Illinois-Michigan canal running from Chicago to Peru, Ill., be converted into parkways, recreation areas and wild life sanctuaries.

The cost was estimated at \$633,000. The ditch has been abandoned for 50 years and is badly run down. Legislators said it is a health and flood menace and the state ought to do something about it.

Reuther Interview Gives Little Help To Investigators
Detroit, June 1—(AP)—Victor Reuther's first interview since an assailant tried to kill him May 24 left police today with little tangible information to use in their hunt for his attacker.

The CIO United Auto Workers educational director could only express his conviction that the "attack" wasn't the work of a crackpot.

But Reuther, whose brother Walter, the UAW president, was aimed in a similar assassination attempt about a year ago, told officers he had no idea who fired a shotgun through the window of his home.

Propped up in a hospital bed, he answered questions put by Prosecutor Gerald K. O'Brien, Chief of Detectives Jack Harvill and Senior Detective Inspector James J. Maher for nearly 40 minutes.

Reuther gave his first official statement of the shooting as police stepped up their search with a roundup of 247 hoodlums, gamblers and underworld characters. All were questioned in hope their recent activities might shed some light on the Reuther shooting.

At the same time, FBI aid was sought in tracing the assailant's shotgun. Police said the gun found in bushes by the Reuther home apparently was brought in from outside Michigan. It had not been sent to Michigan originally by the manufacturer, police determined.

CONFIRM POSTMASTERS
Washington, June 1—(AP)—The Senate today confirmed postmaster nominations including: Corbendale, Ill.—Virgil J. Brown, South Elgin, Ill.—Mabel L. Reinert.

Big 4 Will Resume Berlin Talks Today

Briefly Describe Data Slips Found On Coplon

Washington, June 1—(AP)—Some of the slips of paper found in Judith Coplon's purse were described with "stifling brevity" at her espionage trial today but the prosecution withheld them from evidence on grounds of national security.

The slips, 12 in number, were part of a sheaf of papers found in Miss Coplon's pocketbook when she was arrested with her alleged Russian sweetheart, Valentine A. Gubitchev, 32, in New York last March 4.

Chief Prosecutor John M. Kelly, Jr., said the slips mentioned today would not be submitted as evidence because their disclosures might jeopardize "the security of the United States."

Kelly did not object, however, when Defense Attorney Archibald Palmer insisted on reading aloud a complete FBI inventory on the content of Miss Coplon's purse.

The inventory included a brief description of the subject matter and a number of persons cited in the so-called "data slips" extras from FBI reports on security matters.

Kelly told newsmen the names listed on the slips did not necessarily mean that the person had been under FBI investigation. Instead, he said, the names might have been used merely in connection with an investigation.

One item was headed "T-1, an informant of known reliability." Those named on the slips included "Gen. Nicholas Rodescu," with the notation "Austria - French military authorities" after his name.

Also cited was Novaya Zarya, identified as a San Francisco Russian-language newspaper. Twenty-two other FBI data slips were introduced as evidence yesterday, over strong protest from Defense Counsel Palmer.

Reynolds Named To Revamp Chicago Police Department
Chicago, June 1—(AP)—Daniel G. Reynolds, former Miami, Fla. director of public safety, was named today to survey Chicago's police department and suggest improvements.

Since 1941 Reynolds has been associated with the Northwestern university traffic institute. Director Franklin M. Kreml of the institute appointed him to succeed James A. Pryde as the institute's director and take over Pryde's work with the Chicago police.

Pryde resigned to go back to his old job as head of the Washington state police.

Reynolds, 48, started as a motorcycle cop in Miami in 1925. Both the Miami police and fire departments were under him when he was public safety director.

He went to Japan in 1945 to serve as police consultant to General MacArthur. He established the police personnel training program now in use in Japan.

Charge Man Bribed Woman To 'Forget' Assault Charge
Chicago, June 1—(AP)—A CIO union officer was reported named today in a true bill accusing him of inducing a young woman to "forget" about her assault charge against three youths.

James Harrison, financial secretary of local six of the United Auto Workers, was reported charged with conspiracy to obstruct justice. He was accused of offering the woman, Dolores Kubal, \$1,000 in cash, an airplane trip to California and a job if she would not prosecute.

Three youths were reported named in true bills charging assault, or rape. They are Raymond Mischke, 21, a member of Harrison's union local; Richard Jackolow, 19, and Gerald Kipanski, 21. Mischke's sister, Doris, 25, was reported named in a bill charging conspiracy to obstruct justice.

Last Friday when Miss Kubal failed to appear before a justice of the peace for her complaint, the hearing was postponed and she was subpoenaed. When questioned later at the state's attorney's office, she told of offers Harrison made her in the Mischke home in the presence of Miss Mischke, police said.

YOUTH WHO KILLED FELLOW STUDENT IN DORM BRAWL FREED
Plymouth, N. H., June 1—(AP)—A Dartmouth college junior was fined \$500 and given a suspended sentence today on a manslaughter charge in the dormitory brawl death of a fellow student.

Thomas A. Doxsee, 22, of Fayetteville, N. Y., received the suspended sentence of not less than a year and a day or more than two years.

The New Hampshire attorney general indicated the death of Raymond J. Cirrotta, 21, of Linden, N. J., last March 18 may involve another Dartmouth student in a grand jury hearing.

The New York press was due to go to trial on his plea of innocent but later he was permitted to change his plea to nolo contendere (no contest).

The indictment charged Doxsee struck Cirrotta "with his hands and fists and caused him to suffer mortal injuries March 18."

Five other Dartmouth students were held as material witnesses and all have been suspended by the college.

Attorney General William Finnney said today no charges were contemplated against four of the witnesses but that a fifth, William C. Felton, 21, of Tiffin, Ohio, "presumably" would figure in another grand jury investigation in the fall.

Finnney said the state had uncovered new evidence which he said showed Felton also struck Cirrotta.

Chicago Crime Commission Bill Defeated By House
Springfield, Ill., June 1—(AP)—The Illinois House today defeated an effort to give Chicago a legal weapon which its leaders say they need to fight organized crime effectively.

The action killed a Chicago crime commission bill to let Cook county grand juries sit for 90 days instead of only 20 days. Downstate grand juries now may sit 90 days.

The bill was rejected by the House judiciary committee on a 16-15 vote several weeks ago. Today the sponsors asked the House to repudiate the committee action and let the bill come on the floor for possible passage.

The motion to non-concur lost by 21 votes. The vote was 55 for, 65 against, and three present. It needed 77 to succeed.

Defeat of the bill, which also lost, will affect the lives and livelihoods.

Split On Veto Powers Of Members

Paris, June 1—(AP)—The Foreign Ministers' Council agreed in principle today on revival of the allied Kommandatura to govern Berlin.

But they split on a western proposal to limit the veto in the four-power body, and so their first attempt to reach an understanding on ending East-West strife in the city was blocked.

Blum, U. S. Secretary of State Dean Acheson said the western powers had won the right to be in Berlin by force of arms and were going to stay there.

Only On Major Issues
The veto, he said, should apply only to major issues; other questions should be settled by a majority vote, while yet others could be settled outside by the Germans themselves.

A "routine municipal operation" of cleaning streets, collecting garbage and furnishing water supply should not be allowed to become an international issue, he said.

Andre Vishinsky, Soviet foreign minister, at one point seemed to indicate willingness to place some matters outside the control of the Kommandatura. But later he insisted that a unanimous vote on all decisions was "the only way to govern."

The point was important in any agreement on Berlin because the Russians have used the veto in the past to block actions by the city government. They prevented Ernst Reuter from taking office as lord mayor after he was elected. When they finally walked out of kommandatura and the city was split, Reuter was elected again by the western sectors.

There By Armed Force
Acheson declared that "all four powers are there (in Berlin) by the force of their armies and the resolution of their peoples," and not merely because of any international agreements such as Potsdam.

He urged the council to recognize that all four nations were there "to stay" and that they had to get along together.

He proposed that the council discuss Vishinsky's proposal of last week that the kommandatura be re-established, that a unified city government be set up by free city-wide elections under four-power control, and that a city constitution be written.

Acheson said the unlimited veto was "a most arbitrary and dictatorial method of preventing action," and could be used "for the sole purpose of coercing others to accept conditions desired by one or the price for acquiescence in any action."

He attacked Vishinsky's position that the western powers were in Berlin as the result of international agreements which included the right of veto, and that Berlin's control set-up therefore should include the same right.

Opponents Fire Last Shots Trying To Block FEPC Bill
Springfield, Ill., June 1—(AP)—Manufacturers and other opponents fired their final shots today trying to block enactment of legislation calling for a fair employment practices commission.

They testified at an Illinois Senate judiciary committee hearing on the bill, already approved by the House. The committee postponed action until tomorrow.

One of the witnesses was Joseph T. Meek, executive secretary of the Illinois Federation of Retail associations. He declared the bill will not remove "intolerance and bigotry but instead may drive it underground."

"It just won't work," Meek said. The bill seeks to prevent job discrimination because of race, color, creed or national origin. It is supported by Governor Stevenson.

David Clarke, representing the Illinois Manufacturers' association, said the proposal would "hurt the minorities it seeks to help" because it would bring "mistrust, fear and suspicion."

WEATHER
The Norbury Sanatorium, cooperative observer for the U. S. Weather Bureau, yesterday reported the temperatures for Wednesday as follows: High, 80; low, 64; and at 6 p.m., 75.

Forecast For Illinois—Partly cloudy today with occasional showers in afternoon or night; little change in temperature; high 80 to 90.

EUROPEAN MILITARY AID URGED, BUT HOW MUCH POSES PROBLEM

Western Europe's present defenses are so feeble, says the State Department that they invite military aggression. It adds that not until the United States shares its might with western countries "can we hope to replace this temptation with a real deterrent to war."

The department views a military aid program as the best way we can transfer some of our strength across 3000 miles of ocean to European shores. It calls this plan a vital companion to the North Atlantic Pact. The pact signifies agreement in the West on a policy of common defense. The aid program gives the pact some backbone.

The question may fairly be asked: How much backbone? We propose to provide \$1,130,000,000, a considerable amount of surplus arms and certain technical assistance to western Europe in the next year.

The first goal is to help these nations modernize the small armed forces contemplated in their 1950 budgets. There is no pretense of matching Russia's huge armies. But the State Department insists even small forces can plant fear in Soviet minds and thus deter aggression.

The Administration is plainly reluctant to discuss the duration and future size of the military aid plan. It does argue, however, that larger armies in western Europe would increase rather than diminish the chances of war. And it believes too much attention to arms surely means general European recovery will suffer.

There are ample signs many members of the Senate are going to pin the State Department to the mat on these questions. Several say they want to know exactly how much resistance—and what kind—\$1,130,000,000 will buy.

Senator Taft, for one, believes that sum is a mere trickle that would dry up quickly without useful effect. He puts a \$30,000,000,000 price tag on effective military aid.

Some foreign affairs observers are guessing that the relatively small appropriation sought is evidence that the real hope this coming year is only to stiffen western armies against possible internal revolts inspired by Russian Communists.

Certainly the State Department includes internal disorders sparked by outsiders within its definition of aggression. But it does not stop there. It maintains stoutly that over-the-border aggression can be blocked by the kind of military help it proposes to give.

It seems to us the department is trying to walk a tight rope between too little and too much. Not an easy performance, especially in view of the uncertainties posed by the puzzle of Russian intentions.

But Congress nevertheless is entitled to far more specific answers than have yet been given on the real aims and worth of the aid program. The State Department will have to muster convincing arguments to sell its plan as an effective obstacle to war.

Lacking such answers, many senators may conclude the program either should be bigger or should be forgotten.

2290X—CITY'S 6,000th TELEPHONE

Business statisticians regard telephone installations as a good indication of the growth and prosperity of a city. Evidently Jacksonville is growing and prospering, for telephone No. 6,000 went into service Tuesday.

Just three years ago the city had a total of 4,873 telephones.

Mrs. Charles E. Crocker called a friend Tuesday as soon as her phone was connected. Her two daughters, Charlet, 5, (right) and Janet, 3, were pretty excited about it.

Standing, left to right, are V. L. Beemer, an employee of the Illinois Telephone company, and W. O. Randall, the company's district manager.

Mr. Randall said the phones in the Jacksonville exchange area are connected by 755 miles of open wire and 45 miles of cable. These cables range in size from those carrying 26 pairs of wires to giant assemblies carrying 1,212 pairs.

Mr. Crocker is a salesman for the Jacksonville Automotive Supply company. The family home is at 309 Laurel Drive.

The Illinois Telephone company now has over 50,000 telephones in its 42 exchanges. It is one of the larger independent telephone companies in the state. Since the war the company has made a gain of 8,000 telephones.

Gordon E. Seaton, Father Of Local Resident, Dies

Gordon E. Seaton, father of Miss Vera H. Seaton of this city, died Tuesday afternoon at 4:30 o'clock at his farm home two miles southwest of Edinburg, Ill., after an extended illness.

Mr. Seaton was born Feb. 19, 1878. He is survived by his wife, Carrie M. Seaton; one son, Merle Edward Seaton of Taylorville; one daughter, Miss Vera H. Seaton, and other relatives.

The remains were removed to the E. M. Davis Funeral Home at Edinburg.

Funeral services will be held Thursday afternoon at 2:30 o'clock at the Bethel Baptist church near Edinburg.

Carrollton Couple Exchange Vows In Church Rites

Carrollton—The marriage of Miss Henrietta Steinacher, daughter of Mr. and Mrs. Henry Steinacher of this city, to Herbert Hartman, son of Mr. and Mrs. Frank Hartman, also of this city, was solemnized Wednesday at nine a. m. in St. John's church here. The double-ring ceremony was performed by the Rev. Michael Enright. The soloist for the Mass and the ceremony was Francis Geers of this city, with Mrs. Lawrence Thien playing the organ accompaniment. Mrs. Thien played the traditional wedding marches.

The bride, given in marriage by her father, wore a white satin gown with a shoulder trim of beads. The bodice was fitted with a sweetheart neckline and long tapered sleeves and the full skirt ended in a peacock train. Her finger tip veil was held in place by a coronet of beads. She wore a tripple strand of pearls and carried a pearl rosary, both gifts of the bridegroom. Her bouquet was of red roses and baby breath.

Miss Clara Steinacher, sister of the bride, was the maid of honor. Her gown was of orchid taffeta. Her gloves corresponded in color to her dress and her bouquet was of pink carnations and baby breath. Miss Freda Hartman, sister of the groom, was the bridesmaid. Her gown was of green taffeta and her bouquet was of yellow carnations and baby breath. Mrs. Henry Carl Steinacher, sister-in-law of the bride, was the matron of honor and her gown was yellow taffeta. Her flowers were blue carnations and baby breath.

The best man was James Hartman, twin brother of the bridegroom. The groomsmen were Joe Hartman, brother of the bridegroom, and Henry Carl Steinacher, twin brother of the bride.

The little flower girl was Margie Kay Hartman and the ring bearer was Billy Jim Hartman, both children of Mr. and Mrs. William Hartman.

The ushers were Jerome Steinacher and Joseph Steinacher, twin brothers of the bride. The servers were Robert Steinacher, brother of the bride, and Henry Schmidt.

The first woman to be charged with drunken driving here in many months was taken into county court Wednesday morning to face an information filed by State's Attorney Albert Hall. The defendant is Olivia Watkins, 29 years old, whose car is reported to have hit another machine on South Main street Tuesday.

A plea of guilty was entered by the defendant when she was arraigned before Judge Fenstermaker, and a petition for probation was filed with the court. Bond was fixed at \$1,000, after which the woman was transferred from the city jail to the county jail. Her case was continued until Friday when a report will be made by the probation officer.

The Watkins woman was arrested by police after a motorist reported that his car had been rammed by another car.

On April 26, 1949 at a special meeting of the Retail Council of the Jacksonville Chamber of Commerce, with 30 businesses represented, it was moved to close the members stores on Thursday afternoon during the months of June, July and August.

The motion was carried by a vote of 22 to 14.

In accordance with the decision of the majority, and respecting the wishes of their employees, the following retail stores hereby announce that they will be closed each Thursday afternoon thru the summer months of June, July and August.

Greene County Bar Association Holds Memorial Service

White Hall—The members of the Greene County Bar association held a memorial service in the circuit court room, honoring two of their fellow members who passed away last year, A. B. Johnson of Roodhouse and F. J. Greer of White Hall.

Short talks in memory of Attorney Greer were given by Judge Julian Hutchins and Attorney Jack McDonald and talks in memory of Attorney Johnson were given by States Attorney L. A. Mehrhoff and Attorney W. G. Voght. Resolutions of respect were presented by the speakers in honor of each man and were ordered spread upon the records.

The service closed with a talk by Judge Gilbert K. Hutchins, president of the Greene County Bar association, in which he paid fitting tribute to the able attorneys who had contributed their abilities to the Greene County Bar association during their lifetime.

Services For Veteran
 Services for S. Sgt. Charles Geers were held Monday at nine a. m. in St. John's church in connection with memorial services which were held for T. 4 Charles Kirbach who was killed in action in the European war zone and whose body remains in an army cemetery in Belgium.

The services were conducted by the Very Rev. Michael Enright and the soloist for the service was Francis Geers, an uncle of S. Sgt. Geers.

 Telephones

JUNE 6,000

Jacksonville had 4,873 telephones on December 1, 1945, and 3,909 telephones on February 1, 1933.

In the past three years, the Company has spent between \$1,500,000 and \$2,000,000 for telephone plant construction. The present outlook is for a continued construction program for several years to come.

The Company now has 755 miles of open wire, and 45 miles of cable carrying 26 pairs of wires to those carrying 1212 pairs, for the Jacksonville exchange area.

2295 lines of elaborate central office equipment for handling of your local and long distance calls.

Switchboards for 56 operators to handle your Long Distance, Information and Intercept service.

The Illinois Telephone Company now has over 50,000 telephones in its 42 exchanges. It is one of the Larger Independent telephone companies in the State, having made a gain of 8,000 telephones since the war.

**Deanery Council
Of Catholic Women
To Meet Thursday**

More than 200 women from Morgan and surrounding counties will attend the meeting of the Jacksonville Deanery Council of Catholic women, which will be held Thursday, June 2, at the Church of Visitation in Alexander.

The meeting will be preceded by benediction of the most blessed sacrament in the church at 1:30 p. m., standard time. The business session will convene at 2 o'clock.

The welcoming address will be given by the Rev. Robert Eagan, pastor of the Church of Visitation. The response for the council women will be given by Mrs. Dennis Whalen, president of the Sacred Heart council at Franklin.

Mrs. John Nevins, president of the diocesan council, and the Rev. John J. McGrath, diocesan spiritual moderator, will attend from the Springfield office. Short talks will be given by each.

Hostesses for the afternoon will be Mrs. Earl Bergschneider, chairman of council activities for the Church of Visitation; and Mrs. Joseph Zeller, Sr., president of the Altar society at Alexander.

Mrs. T. P. Leahy, president of the Jacksonville Deanery council, has extended an invitation to all Catholic women in the area to attend the meeting.

**Several M'Murray
Students Finish
First Aid Courses**

Standard and advanced first aid courses were completed by a large number of students at MacMurray college, under the direction of Miss Elizabeth Reanick, director of physical education at the college and a

first aid instructor for the Morgan County Red Cross chapter.

Those who completed the standard course were Arlene Atkinson, Dorothy Booth, Dorothy Davis, Jane Dunne, Gloria Eason, Marie Feller, Dorothy Fisher, Doris Lee German, Charlotte Hammerman, Joann Jacobson, Margaret Jenner, Virginia Jones, Shirley Keidel, B. J. Klove, Eileen Lance, Barbara Lidster, Joan Mansfield, Marilyn Messick, Mary Millican, Marilyn Milteer, Carolyn Neary, Audrey Newell, Shirley Parks, Bonnie Jean Percy, Jean Reberg, Katherine Sheppard, Mary Jean Soules, Ruth Ann Soules, Lora Sparks, Gloria Suhr, Bertha Thorsen, Patricia Tomlin, Catherine Yonke and Janet Youngberg.

The advanced course was completed by Dorothy Booth, Dorothy Davis, Jane Dunne, Marie Feller, Dorothy Fisher, Charlotte Hammerman, Nancy Hoerger, Joann Jacobson, Margaret Jenner, Shirley Keidel, Barbara Lidster, Joan Mansfield, Mary Millican, Carolyn Neary, Shirley Parks, Bonnie Jean Percy, Katherine Sheppard, Mary Jean Soules, Ruth Ann Soules, Gloria Suhr, Patricia Tomlin and Beverly Klove.

Certificates will be issued these students from National Red Cross headquarters.

**ASKS \$2,000 DAMAGES
ON RENTAL CONTRACT**
Edward Goldstein has filed suit

against the Elm City Bus Lines, Inc. asking damages of \$2,000 for alleged violation of a contract for the use of the former shoe factory building on North Main street.

Goldstein claimed that certain provisions of the contract were not met by the bus company, including a clause in which the bus company was to keep the property in repair during a period from June 1, 1943, to July 1, 1945.

Wilson & Wright are attorneys for the plaintiff.

96 DIE IN FIRES

2 Sentenced To Terms In Prison

Two men were sentenced to penitentiary terms in circuit court Wednesday morning after their peti-

tions for probation were turned down by Judge L. E. Wilshire. Leroy Kite, a 17 year old youth whose home is in East St. Louis, must serve from one to two years for automobile theft. Kite was one of two youths who stole a car belonging to the Lukeman Motor Co. and wrecked it several miles from the city.

Homer Williams, 26, was sentenced to prison from one to three years for burglarizing the office of Dr. W. H. Newcomb, in the Professional building.

The filing of the Special Assessment Roll in county court Tuesday in July.

disclosed that assessments to pay the cost of the Loop District Improvement have been spread in the sum of \$206,205.29, against the City of Jacksonville for public benefits, and \$91,951.71 against the properties specially benefited.

This means that the property owners are to pay about 30.3 per cent, and the general public about 69.2 per cent of the cost of the improvement. City officials have said that the public benefits assessment will be paid out of motor fuel tax funds.

Individual assessment notices have been mailed to the persons, who according to the Tax Collector's books, paid the taxes on the properties last year. Assessments are subject to confirmation by the County Court on June 17, 1949.

The filing of the Roll brings one step nearer the replacement of the old wood block pavements and local officials expect work to begin late in July.

Motor Fuel Tax To Pay 69.2% On Loop Project

We carry a complete line of MASTER MIX high protein concentrates, scientifically balanced with minerals and vitamins, these to be fed with your grain, also the complete feeds for those who prefer them. We have these feeds in both meal and pellets. We advise using pellets—the saving in waste runs from 12 to 15 pounds per hundred. Come in and visit us, we will gladly explain the MASTER MIX FEEDING PROGRAMS and formulas without any obligation to you. MASTER MIX FEEDS move from the mill to the dealer to you.

Magazine Has Article On Red Cross Training

The Reporter, national Red Cross magazine, published bi-monthly at Washington, D. C., carries an article describing in detail the program of activities conducted by the Morgan County Red Cross chapter in both the Illinois Schools for the Blind and Deaf.

The article refers to the special techniques employed in teaching Red Cross courses at the two institutions. The courses taught at these schools are standard Red Cross courses and include accident prevention, first aid, swimming and life saving.

The article also deals with the beneficial part that these courses play in the development of the student's sense of well-being, teaching him the rules of safety, what to do when an accident occurs and permitting him to become skilled in swimming and diving.

Student Recital Thursday Night

Another recital by students of Miss Myrtle Larimore, Mrs. Clara Moore Nelms and Mrs. Elizabeth Blackburn Martin will be given Thursday evening at 8 o'clock in Music Hall at MacMurray college. This is one of a series of recitals to which the public is invited.

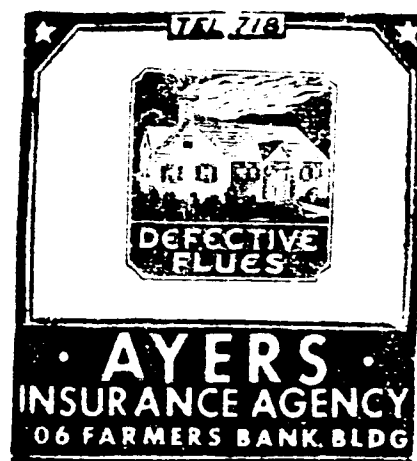

Students who will appear in the program Thursday are Lee Fullmer, Ronnie Baker, Charles Cole, Charlotte Cody, Jeanette Brauer, Janet Hurrelbrink, Lucy Lair, Beverly Stout, Janet Lee Covey, David Covey, Marcia Chenoweth, Barbara Smith, Judy Sorrells, Carol Jean Gardner, Janet Shumaker, Johnny Murray, Carol Townsend, Rosalie McDermott, Richard Ommen, Betsy Engelbach, Jimmie Green, Mary Ellen Covey.

VISIT IN ARENZVILLE

Mr. and Mrs. Charles Winkelman and daughter Charlotte of Springfield were week-end guests of Mr. and Mrs. O. W. Hackman of Arenzville. Mrs. Winkelman attended the MacMurray Alumni luncheon on Saturday, together with Miss Rosalie Jett, who was an overnight guest of Mr. and Mrs. Hackman and returned to her home in East St. Louis on Monday.

More Smiles per Gallon with Dynaflo Drive

THERE'S the smile when you slip the selector lever into Driving notch—and realize that's all there is to do.

There's the smile when you swing smoothly up to cruising speed without halt or check or break of stride. There's the smile at traffic lights when you halt, wait, then move away with never a thought about shifting.

But the broadest grin of all comes at the end of a long day's drive and you find you've covered more miles more easily. Even your treadle-foot—so likely to become tired and cramped maintaining an even speed in direct-drive cars—appreciates the fluid ease of Dynaflo.

For Dynaflo Drive† is not merely a new transmission. It's a new experience—a new luxury in driving. In ten minutes you are handling it

like a veteran—in two days you wouldn't be without it.

Small wonder, then, that Dynaflo is the drive with which all new developments in transmissions are compared.

Not merely "something better," it is something entirely new, the first exciting chapter in a whole new book.

Go learn for yourself how abundantly rich in pleasure every gallon becomes when you have Dynaflo.

Your Buick dealer will be glad to demonstrate—glad to quote delivered prices—glad to talk terms of as fine a deal as you could want.

And you'll find glad surprise in the delivery dates he is now mentioning.

BUICK alone has all these features

Silk-smooth DYNAFLO DRIVE* • FULL-VIEW VISION from enlarged glass area • SWING-EASY DOORS and easy access "LIVING SPACE" INTERIORS with Deep-Cradle cushions • Buoyant-riding QUADRU-FLEX COIL SPRINGING • Lively FIREBALL STRAIGHT-8 POWER with SELF-SETTING VALVE LIFTERS plus HI-POISED ENGINE MOUNTINGS • Low-pressure tires on SAFETY-RIDE RIMS • Cruiser-Line VENTIPORTS DUREX BEARINGS, main and connecting rods

BODY BY FISHER

*Standard on ROADMASTER, optional at extra cost on SUPER models.

When better automobiles are built BUICK will build them

Pepsi Cola Nine Loses 10 Inning Contest To Waverly; Dealers Win

Jacksonville softball fans were treated to two red-hot competitive ball games at the local park last night. The Pepsi Cola youngsters dropped a toughie to the Waverly club 3-1 in 10 innings, while in the feature bout of the evening, the Implement Dealers clipped an Alton crew 3-1 in regulation time.

The first contest was all that the paying softball fans could ask for. Playing errorless ball behind the neat twirling by Turner, the Pepsi Cola team held a 1-0 lead for six innings. Waverly knotted the count at 1-all in the sixth and the two aines struggled in a deadlock for 10 frames.

The Pepsi missed an excellent scoring opportunity in the last half of the ninth. Then, in the top of the tenth chapter, Peters, Waverly outfielder, lashed a home run over the left field wall with a team-mate aboard to tie the visitors the necessary tie-breaking markers. The Pepsi-Cola club failed to tally in their "do-or-die" half of the tenth. In the evening's finale, the Implement Dealers counted single runs in the first, third and fifth frames

Breneman
VENETIAN BLINDS

Here's a New Look
FOR YOUR WINDOWS

• Something new and distinctly better in Venetian blinds — Breneman blinds with the all-metal, enclosed head box will bring new charm and beauty to your windows. Smaller and more compact, neater in appearance, sturdier in construction — this new enclosed head is the last word in beauty, utility and convenience.

Check these features — you'll find them all in Breneman Venetian Blinds with the new metal enclosed head box:

- ✓ Strong head brackets for easy installation in any position with safety catch for security.
- ✓ Smoothly operating worm gear filter with patented cord leveler that keeps cords taut at proper, easy-to-reach level.
- ✓ Square steel tilt bar — turns freely past center to close slats tighter.
- ✓ Aluminum roller pulleys — light weight, smooth operating and silent.
- ✓ Sure-Grip cord lock holds blind securely at any level.
- ✓ Neat, compact head box, occupies less than 2" space.
- ✓ All parts are rustproofed metal, rigidly constructed and finished in Dura-Static baked enamel.

We recommend Breneman Venetian Blinds because they look better, work better and last longer. Phone us for advice and lowest prices on your window needs.

Robinson-Gavilan Sign For 15-Round Title Bout July 11

Philadelphia, June 1—(AP)—Welterweight Champion Roy Sugar Robinson and Kid Gavilan, of Havana, today signed for a 15-round title bout in Philadelphia Municipal stadium July 11.

Robinson and Gavilan met last summer in a 10-round non-title fight at New York. The champion won a close decision.

Since then Gavilan has beaten lightweight champion Ike Williams twice in over-weight bouts.

Robinson made his last title defense against Bernard Docusen in Chicago last summer, winning a 15-round decision.

Robinson will receive 40 per cent of the net gate receipts, including television and radio, for the fight here. Gavilan will take 18 1/2 per cent.

The fight will be under the promotion of the Philadelphia Arena, Inc., General Manager Pete Tyrell announced. Johnny is match-maker.

In New York, Harry Markson, boxing director of the new Garden corporation which bought out Mike Jacobs, said he regarded the Philadelphia announcement as "just another contract Robinson is signing."

Robinson is 21-1, with 15 knockouts. Gavilan is 21-1, with 15 knockouts.

Braves Take League Lead; Edge Bucs 8-6

Boston, June 1—(AP)—Boston's Braves took over first place in the National League tonight by once again coming from behind and beating the Pittsburgh Pirates 8-6 in a lengthy battle in which the teams used a total of nine pitchers.

The Boston victory, before a 20,153 crowd, put the Tribe a full game ahead of the Brooklyn Dodgers and New York Giants who now are tied for second place in the tight National League race.

The last place Pirates whacked out an early five run lead in the first two innings when they drove Vern Bickford, Boston's starting right hander.

The Bucs tallied once in the opening and added four in the second when Ralph Kiner belted a two run homer. The home run was Kiner's 12th of the campaign and he now has a hitting streak through 13 games.

Bob Hall, rookie right hander, came in and put out the fire and was credited with the victory, his first in the majors.

Hall, who gave up one hit, to the first batter he faced, retired seven Pittsburghers in succession. He was lifted for a pinch hitter in the fourth when the Tribe went on the war path for six runs.

Home Run Power Gives Nats 6-5 Win Over Browns

St. Louis, June 1—(AP)—Eddie Yost and Sam Dente hit home runs—their first of the year—to lead the Washington Senators to a 6 to 5 triumph over the St. Louis Browns tonight. Stan Spence homered for St. Louis and almost singled the tying run home in the ninth inning but Bob Dillinger was out at the plate.

Dillinger had opened the ninth with a double. When Spence singled to right Dillinger held up at third but Sherry Robertson's throw went wild so Dillinger then tried to score.

However, the ball bounded off the wall into Catcher Al Evan's hands and he relayed to First Baseman Bill Robinson who tagged the Brownie third baseman.

The Senators' big inning was the fifth. Al Kozar opened with a single and Dente followed with a homer. This brought the score to 3-2 with St. Louis leading. Evans doubled and Mickey Haefner bunted safely. When Yost forced Haefner, Evans scored the tying run. A double by Robertson scored Yost and on a wild throw by Johnny Sullivan, Robertson scored.

Yost's circuit blow in the seventh inning with no one on base proved to be the winning run as the Browns picked up two more—one in the sixth and another in the seventh.

School For The Blind To Present Centennial Pageant This Evening

The story of the Illinois School for the Blind will be told in a pageant to be presented by the faculty, staff and students at the school at 8 p.m. tonight. The pageant, in charge of Mabel Grubel Meyers, will be the concluding feature of today's program commemorating the centennial anniversary of the institution.

Schools In Cass, Morgan Counties Sold At Auction

Seven unused school buildings in Morgan and Scott counties will be sold Thursday in the second part of a three day auction sale authorized by school trustees of Morgan, Cass and Scott counties.

Eight buildings, six of them in Cass and two in Morgan, were sold by Auctioneer Merle Beddingfield Wednesday. Final bids ranged from \$1,015 for Wagoner school west of Arenzville down to \$225 for Springer school.

J. H. Kuhlmann of Beardstown purchased the Wagoner building. The two Morgan county schools, Burrus and Lake View, were purchased by Carl Tieman and Edgar Burrus respectively.

Schools to be sold Thursday morning and afternoon include Hazel Dell in Scott county, Victory, Thompson, Baker, Sycamore, Eagle and Unique in Morgan county.

Mr. Beddingfield is the auctioneer. Thomson and Thomson of Jacksonville are the attorneys for the trustees.

Seven Morgan schools, West Hickory Grove, Hopewell, Mr. Vernon White Oak, West Walnut Grove, Duncan Springs and Sunnyside will be sold Friday.

Unveil Community Gold Star Honor Roll At Ashland

Ashland—A large crowd was present at the special Memorial day program held Monday morning at 10 o'clock in front of the new city hall to witness the unveiling of the Ashland Community Gold Star Honor Roll in memory of the boys who died in World War II. The following program was given: several concert numbers played by the high school band, with James Cooper as director; the flag raising ceremony; vocal number by the high school quintette, singing "One World"; dedicatory remarks, "Let We Forget" by Mrs. Walter Adkins; American Legion firing squad and the closing benediction, followed by the taps.

Two hundred reservations were made for the alumni banquet last Saturday night. The banquet began at seven o'clock and was served by the ladies of St. Augustine's Catholic church.

Dancing started at 9:30 and continued until 12:30. Music was furnished by Lou Hahn's orchestra.

P. W. Russell

Addresses Lions

P. W. Russell, who served as captain in General MacArthur's photography corps, was guest speaker at the Lions club meeting Wednesday night in the Dunlap hotel.

Mr. Russell gave an interesting report of his impressions of the Far East while showing slides of Tokyo, the Philippine Islands, New Caledonia and Guadalcanal.

He was introduced by Lion Louis Sims, program chairman.

Lion Lawrence Crawford, chairman of the nominating committee, announced nominees for next year's officers, to be elected June 22.

Funeral Services

Mrs. Anna D. Taylor
Funeral rites for Mrs. Anna D. Taylor will be held Thursday at 2:30 p. m. at the Williamson Funeral Home. Interment will be in Jacksonville East cemetery.

The body is at the family residence, 999 East Lafayette avenue. Fred Gebhart.

and will be returned to the funeral home one hour before the time of service.

53 Elementary Students Win Writing Awards

Fifty-three pupils of the Jefferson, Franklin, Lafayette and Washington schools have been awarded certificates of merit in the annual international handwriting contest sponsored by the Good Writers club of America.

Merit certificates were awarded to 18 Washington pupils, 13 Jefferson pupils, 13 Lafayette students and nine Franklin students. Special assemblies are held at the schools to honor the winners.

Each year the Jacksonville Board of Education promotes good writing in the schools by selecting 500 of the best writers to enter this contest. Participated in annually by nearly 200,000 pupils from 45 states, Alaska, Cuba, Hawaii, British Honduras and Egypt. Only about 7,000 recognitions are awarded.

The awarded certificates from Jefferson school are: Doris Baptist, Judith Turner, Charles Meyers, Ron-Elsey.

Wheat Allotment Deadline June 10 For Some Farms

Owners and operators on whose farms wheat has not been seeded for harvest in any of the years 1947, 1948, or 1949 must file written application with the county committee by June 10. If they desire a wheat allotment for 1950. This announcement was issued Wednesday by Wallace T. Hembrough, chairman of the local agricultural conservation committee.

"This requirement," he said, "in no way applies to farms considered under the program as regular wheat allotment farms. In other words, allotments automatically will be established on all farms for which information is on file showing wheat seeded for harvest in any of the above-mentioned years."

It is only on farms that do not fall within the above classification that an application must be placed on file by the June 10th deadline, explained the chairman. Under present regulations, these farms may be considered for a new wheat farm allotment, but the acreage available for new allotments is limited by law and is exceedingly small. Therefore, applications should be made only by those producers who are sincere in their intentions to plant wheat in 1950.

Mr. Hembrough also stated that previous completion of a farm acreage report does not necessarily mean that an allotment will be established for the farm. He pointed out that acreage reports were made for quite a number of farms that will not qualify for regular allotments. In these cases, application for a new wheat farm allotment is the only alternative.

William H. Ash, Native Of Scott County, Dies Here

William H. Ash, a native of Scott county, died Tuesday afternoon at a local hospital, where he had been a patient eight days.

The son of Joseph and Sarah Ash, Mr. Ash was born six miles east of Winchester in October, 1876. Most of his early life was spent near Winchester.

Surviving are one brother, Oliver Ash of Edinburg, a sister, Mrs. Martha Nolley, also of Edinburg, and a number of nieces and nephews.

The body is at the Williamson Funeral Home, where services will be held Thursday at 1 p. m. Burial will be in the Winchester cemetery.

Childrens' Day Program Planned At Berea Church

A Childrens' Day program will be presented Sunday morning at the Berea Christian church.

Recitations will be made by Phyllis Stewart, Johnny Martin, Judy Walpole, Gladys Clemens, Nancy Foster, Janet Foster, Sandra Clemens, Carolyn Martin, Paul Wesley Ogle and Johnny Baker.

Songs will be sung by Ruth Ann Martin, the Foster sisters, and four members of the Girls 4-H club, Rita Jean Nail, Kathryn Grady, Marilyn Norfleet and Ruth Martin.

Richard Norfleet and Marian Stewart will play piano solos.

House Passes Bill Giving Veterans \$72-Month Pension

Washington, June 1 — (AP) — A \$72-a-month pension for veterans of World Wars I and II passed the House today, 365 to 27.

It now goes to the Senate where its backers fear it may encounter trouble because of the expense. The budget bureau has estimated it would cost \$65,000,000,000 over the next 50 years.

The bill, substitute for a more costly proposal defeated by the House in March, would put into permanent law existing Veterans' Administration regulations under which some veterans now receive pensions.

But it would liberalize these regulations, mainly by:

(1) Assuming that any veterans is totally and permanently disabled at age 65 and;

(2) Removing an existing "unemployability" standard saying that a 65-year-old veteran who can work half a normal day or earn half a normal day's pay shall not receive a pension.

Veterans Administration regulations now require a showing of at least 10 percent disability after a medical test, for a 65-year-old veteran to receive the \$72 monthly payment.

TO REMARRY FORMER WIFE
New York, June 1 — (AP) — Milton Berle, Broadway and television star, will be remarried to his former wife, actress Joyce Matthews, June 16. They were previously divorced in 1947.

AWARD FOR DERBY WINNER

The top award to be given the winner of the local Soap Box Derby is the W. F. Armstrong Trophy, a handsome plaque depicting a Derby racer flashing across the finish line.

The trophy, similar to that awarded by the Chevrolet Motor Division in the past two years has been renamed in honor of the new general manager of the division.

It is three-dimensional, with the miniature racing car, driver and finish-line flagmen resting on a platform. The background is of highly-polished birch and the Derby emblem affixed to it is red, white and blue enameled on metal.

Many Other Prizes
The trophy is but one of the many valuable and attractive prizes to be awarded to winners of the local race, which is to be held here on Sunday, July 17, under the sponsorship of the Cornbelt Chevrolet company and the Journal Courier.

Another of the outstanding prizes is the \$100 tool chest offered by the Shell Oil company for the best designed car. This prize is twice the value of the tool chest given last year.

The Shell Oil company is also offering two cups, one for the boy who runs the fastest heat and the other for the second place winner.

These and numerous other prizes, including a handsome traveling clock for the best upholstered car, will soon be placed on display in various store windows.

Every boy who enters the race will receive a prize from the Exchange club, which is staging the race. Recent entries are Billy Lenth, car No. 21; George Kennedy, car No. 22; Bill Spencer, car No. 23, sponsored by the Elliott State Bank; and Bobby Meado, car No. 24.

Entries Still Accepted
Registration is in progress daily at the Cornbelt Chevrolet company and is open to all boys in this area between the ages of 11 and 13.

Boys who have not yet filed their applications for entry are urged to do so as soon as possible. The boys not only have an opportunity to win valuable prizes but also share in the thrill of competing in America's major amateur sports event.

Those who have delayed entering the race because they lack sponsors are reminded that sponsors will be furnished for those not having one. A reminder is also given that the oil and wheels are still available at the Cornbelt Chevrolet company. The B. F. Goodrich store also has a supply of wheels.

Five Local Nurses To Attend Meeting At Bloomington
Five local nurses will attend the meeting of the South Central League of Nursing Education, to be held Thursday in the auditorium of St. Joseph's Hospital School of Nursing in Bloomington.

Those from here who will attend are Grace Fowler, Eleanor Allen and Martha Brown, members of the faculty of the Illinois School of Psychiatric Nursing; Mrs. Louise Allen Meyer, director of the school, and Claudia Naranick. The first three women will serve as discussion leaders.

The schedule for the meeting is as follows: 2:30 p. m., business; 3:30 p. m., program, topic "A Practical Approach to Curriculum Construction"; and 4:30 p. m., picnic supper.

Social Events

Nazarene Society To Have Program Friday

The regular monthly meeting of the Woman's Foreign Missionary society of the Church of the Nazarene will be held Friday evening at the church, corner of South Main and Franklin streets. Mrs. George Thies, president, will preside.

Subscriptions for the missionary paper will be taken. The subject will be based on the reading course, with a discussion by Mrs. Ethel Spire, who also will lead devotions. Mrs. Betty will be in charge of the study book.

Plans will be made for an all day sewing Thursday, June 9. An election of officers will be held at the July meeting.

GOES TO EUROPE

New York, June 1 — (AP) — Mrs. James Forrestal, widow of the late secretary of defense, sailed today for Europe on the liner America. She declined interviews.

Beardstown Rites Friday For Former Morgan Co. Man

Finis Onies Tribble, former Morgan county farmer, died Tuesday at 5:45 a. m. at the Schnitz Memorial hospital in Beardstown, following a month's illness. He was 72 years of age.

Born at Nortonville, Mr. Tribble was the son of Thomas J. and Margaret McNeely Tribble. He farmed at Franklin and Nortonville for several years, moving to Beardstown 27 years ago. He worked at the C. B. & Q. railroad until his health failed.

Survivors include his wife, the former Sarah Francis Rochester, to whom he was married 52 years ago; five children, Nyle and Ralph Tribble of Jacksonville, Ilda Bolton and Rudy Tribble of Beardstown and Madge Hungerford of East Alton; one sister, Mrs. Fannie Adkins of Beardstown; and a brother, Frank Tribble of Franklin.

He was preceded in death by three daughters, one son, four brothers and two sisters.

Funeral services will be held Friday at 2:30 p. m. at the Cline Funeral Home at Beardstown. Burial will be in City cemetery at Beardstown.

Dorwart Will Is Filed; Numerous Relatives Named

A number of nieces and nephews, and a sister-in-law are among beneficiaries named to receive portions of the estate of the late George F. Dorwart, whose will has been filed for probate. Mr. Dorwart was owner of a number of business and residential properties.

The will appointed Albert Hoagland, a nephew, to serve as executor and empowered him to sell and dispose of property. Mr. Dorwart requested that Robert E. Harmon, his counselor and legal adviser for many years, be employed as attorney in administration and settlement of the estate.

A specific bequest of \$1,000 was made to a nephew, Edward Cunningham.

After providing for funeral expenses, Mr. Dorwart instructed his executor to convert the remainder of the estate into four equal parts, which he distributed as follows:

To Albert Hoagland, only child of a deceased sister, Lillian Hoagland, one part.

To Jennie C. Belzer, Ida G. Beadstall, Bessie C. Clark, Fred G. Lambert and Clarence W. Lambert, children of a deceased sister, Ida Lambert, one part in equal shares.

To Fred Dorwart, John Dorwart, Charles Dorwart, James Dorwart and George Dorwart, children of a deceased brother, Martin Dorwart, one part in equal shares.

To Ruth Lucas and Martha Dorwart, wife of a deceased brother, Harry Dorwart, one part in equal shares.

The will was made on Nov. 15, 1948, with Catherine T. Shanahan, Jean Mawson and Robert E. Harmon as witnesses.

Department Funds Slashed 13 Million By Senate Group

Washington, June 1 — (AP) — The Senate appropriations committee today trimmed nearly \$13,000,000 from funds voted by the House to operate the state, justice and commerce departments.

It recommended that the Senate approve \$671,000,000. This is \$12,839,821 less than voted by the House. It is about \$70,000,000 below President Truman's budget estimates of what the departments will need in the 12 months beginning July 1.

It was the first appropriations bill to reach the Senate this year containing a lower figure than voted by the House.

The committee made was in cash appropriations. This was offset in part by raising contract authorities for the departments by \$6,100,000 above amounts voted by the House.

The authorizations permit the departments to make contracts to be paid in later fiscal years.

Sues Northwestern RR For \$150,000

Chicago, June 1 — (AP) — John Vargo, a former Clinton, Iowa, railroad section worker, has sued the Chicago and Northwestern railway system for \$150,000 damages for injuries he alleged he suffered in an accident early this year.

Vargo's suit, on file in Superior Court here, states he was permanently disabled Feb. 8, when a railroad motor car used by section workers was wrecked west of Clinton. Vargo seeks damages for loss of his right leg, a fractured skull and internal injuries.

The suit says Vargo and a number of other section hands were riding the motor car when it became derailed and he was thrown to the ground.

Vargo is now a resident of Pennsylvania.

Meeting Here Sunday For Lutheran Laymen

The 19th annual convention of the Central Illinois district of the Lutheran Laymen's League will be held Sunday at MacMurray College under the auspices of the Men's club of Salem Lutheran church.

The day's activities will begin with a 10 a. m. divine service in the MacMurray music hall. The Rev. O. J. Klinkerman, pastor of Salem church, will deliver the sermon on the topic: "Gaining Victories for Christ in the Power of the Spirit." The musical part of the service is under the direction of Walter Deffner, principal of Salem school.

At noon, delegates and guests will attend a banquet, also at MacMurray College. The Rev. N. P. Uhlig, pastor of Christ Lutheran Church for the Deaf, will be the toastmaster. The principal address will be given by Dr. Jaroslav Pelikan of Valparaiso University. The music for the banquet will be furnished by Mrs. Ralph Hutchison.

The afternoon business session will begin at 2:30, with Martin Garbe, of Mattoon, Ill., district president of the league, presiding. F. J. Gallmeyer of Fort Wayne, Indiana, past president of the National L. L. L., will address the convention.

In this meeting the citations will be presented to congregational representatives and pastors for meeting quotas on the Valparaiso University fund drive. The Valparaiso university scholarships also will be awarded. The convention will hear reports on the chapel for the deaf at Jacksonville, and the new Lutheran chapel on the University of Illinois campus. A special meeting for the ladies has also been arranged for the afternoon.

The Lutheran Laymen's League is the national organization of men of the Lutheran church, Missouri Synod. It sponsors the international Lutheran hour, which broadcasts Dr. Walter A. Maier's messages weekly over a 1100 station network throughout the world. The league also promotes the Lutheran University at Valparaiso, Indiana, and assists in the promotion of mission projects of the Lutheran church, both locally and nationally.

The local L. L. L. club of Salem Lutheran church is headed by Walter Deffner. The convention committee consists of O. A. Schutte and Henry Konnick, general co-chairmen, assisted by the following sub-committee chairmen: Clarence Muehlhausen, George Grenier, Leonard Perbix, Mrs. Amelia Muehlhausen, Walter Enfield, Floyd Ebert, J. A. Long, William Graubner and Walter Wessler.

Eisler Declares He Never Belonged To US Red Party

Prague, Czechoslovakia, June 1 — (AP) — Gerhart Eisler declared today he had never been a leader or a member of the American Communist party.

The fugitive, whom a congressional committee has called the No. 1 communist agent in the United States, declared furthermore he hoped to repay his bondsmen through a \$23,500 suit against the United States or by work for a Democratic, unified and peaceful Germany.

Eisler, German-born, has a professorship waiting at Leipzig University, in the Soviet zone of Germany. He also has been nominated for a position on the people's council of the Soviet zone.

He told a news conference, organized by the Czechoslovak ministry of information, that he never wanted to go to the United States, but was halted there in 1941 while on his way to Mexico.

The United States granted his request that he be permitted to return to Germany in 1946. Eisler said, but "unfortunately the American activities committee needed me to frighten children with and they would not let me go."

Eisler stowed away on the Polish liner Batory at New York May 6, while under \$23,500 bail supplied by the New York State Civil Rights congress. He flew to Czechoslovakia at the Steckel building Friday, yesterday.
